

## PADI Courses

From beginner to instructor.  
Open water courses start every day.  
Available in Thai, English, Swedish,  
German, French, Netherlands and Japanese

### PADI Scuba Diver - 2 Days

A perfect introduction to scuba diving. Start  
out in the pool and classroom then try the sea

### PADI Open Water Diver - 3/4 Days

A more comprehensive course that certifies you  
to dive up to 18 metres anywhere in the world

### PADI Advanced Diver - 2 Days

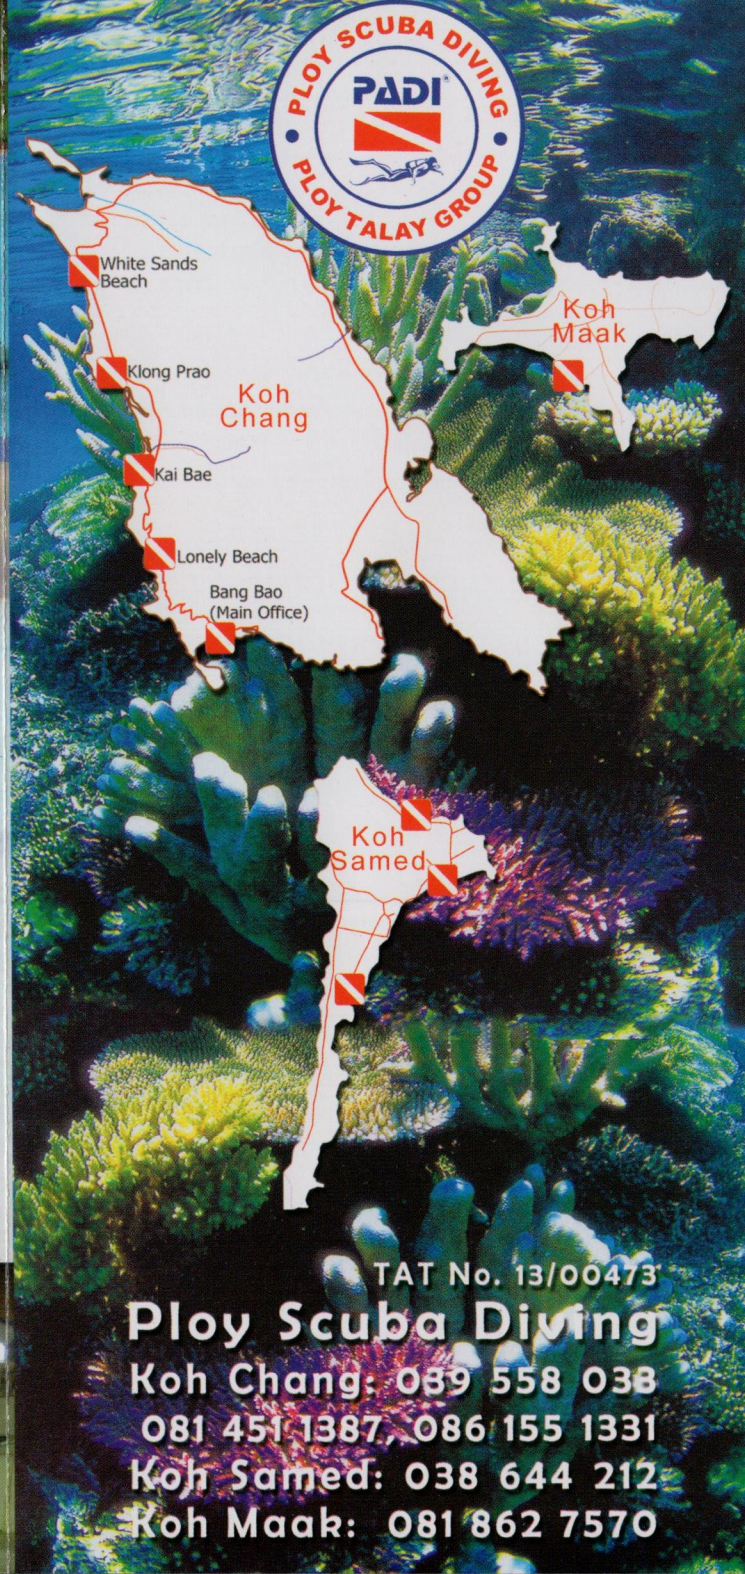

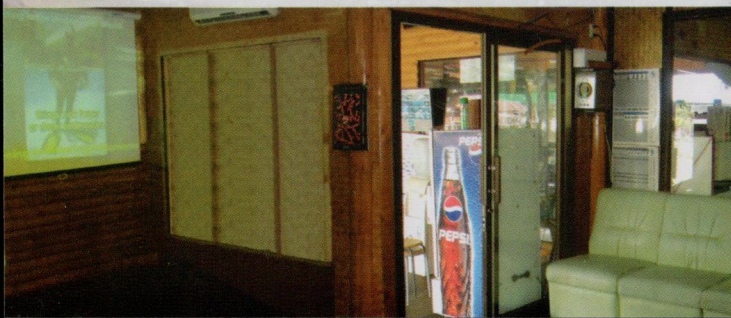

Adds to your experience. You can specialise in  
deep, night, navigation or other dive types

### PADI Rescue Diver - 3 Day Course

Challenging course for those seeking to take  
diving to the next level. A rewarding course

### Go Pro Level - Ask for more information

Why not turn your hobby into a career!

## **Ploy Scuba Diving:**

**Koh Chang, Koh Samed, Koh Maak**

We are the premier diving operation covering Eastern Thailand and the Cambodian coast. Based in the Marine National Parks of both Koh Chang and Koh Samed, we are ideally placed to offer the very best of diving in the region.

We are, of course, fully PADI certified and offer the full range of PADI courses as well as fun diving, snorkelling and night diving. PADI certification from Ploy Scuba Diving is your passport to diving the Seven Seas!

Our primary aim is to offer you and your family a fun, safe, exciting holiday experience. We are happy to welcome children too. We take you from your hotel in our vehicle fleet and our super fast speed boats can have you at the best dive sites in only 35 minutes.

Our boats and all our facilities are comfortable and high-tech. Our classroom is cool and equipped with the latest video facilities. Our boats all have toilet and shower.

You will be looked after by a team of highly trained dive professionals. All the equipment that we use is new and fully maintained. We always carry oxygen tanks and full medic first aid kits.

We are happy to meet all your needs to help you to you have a great dive experience. We Look forward to welcoming you to Thailand!

## **Discover Diving in a Day**

If you've never been diving before why not try it now and discover a whole new world.

You can test diving out one on one in total safety with one of our expert dive instructors. You ain't seen nothing yet!

**Professional-Safe-Fun-Educational**  
**New! Nitrox diving available**

## **Fun Diving & Snorkeling**

We go out in small groups and you will be completely looked after at all times by our professional instructors and divemasters.
